

NOTICE TO OUR PATIENTS:

In accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), we are required by law to provide our patients with the attached notice of our privacy policies. Please take the time to read over our policies that explain how we may handle your medical health information. It also tells you what your rights are under the federal privacy standards and what we are required to do to keep your health information private. The law requires us to get a written acknowledgement from our patients stating that they have received a copy of our privacy notice. Thank you for helping us to fulfill the requirements of this healthcare law.

Sincerely,

Linda G Reep
Compliance Officer for United Sleep Medicine
